The Mary T. Paulin Gallery and Work Program News

October Art Show
Our annual art show and sale will take place on Friday October 23rd from 3-6pm. ArtWorks will be closed during regular hours. The show is titled *Touching Hearts With Art* and will explore our physical responses to art. Flyers will be sent home in early October. Please spread the word!

New Exhibit
Our latest exhibit, *A Day Without You is a Day Without Sunshine*, shows the friendship and work of two of our very own artists, Debbie Evans and Ron Flanagan, from the Red Studio. The show will be open through December. Stop into the Mary T. Paulin Gallery between 12:00-2:30pm Monday-Friday to check it out! Many pieces will also be available for purchase during the October art show.

Sarver Heart Center
The Sarver Heart Center features rotating exhibits from the Mary T. Paulin Gallery. It is located at 1501 N. Campbell Ave. If you missed the collaborative art show between ArtWorks and the Tucson Community Print Shop over the summer, you can still catch it at the Heart Center through December.

Gallery Workers
Congratulations to the gallery team on a very successful third show! From hanging art to emailing the public – all of our members worked extremely hard!

CUP
Mosaic Mural
The UA College of Medicine Commitment to Underserved People (CUP) Program allows pre-medical students to gain experience working in community settings. Last spring, artists at ArtWorks collaborated with the medical students to create a mural of an apple tree in the community garden on Mabel St. This semester the artists and medical students will work together to create a new mosaic based on a “Star of Life” motif to be placed in the Medical Complex. Themes related to health and wellness will be discussed and explored through the work.

Fall Fun!
Karen: “Wearing sweaters!”
Alicia: “Christmas, the holidays, and Santa Claus!”
Joe: “Sitting outside and chatting with Marco.”
Vanessa: “I like cocoa in cold weather.
Vicky: “Eating turkey on Thanksgiving and watching the parade.”

Learn more about the CUP Program at:
http://medicine.arizona.edu/students/get-involved/commitment-underserved-people

Be sure to catch the annual art show/sale on October 23 and our other exhibits anytime before December!

**Talent Show 2015**

Thanks to those who joined us at the Zuzi Theatre in August for our talent show, *Renaissance Faire*. After months of practice, costume, video, and prop making - it all came together. “It was a blast and fun to see everyone happy and performing their different acts,” reported Debbie, one of the artist performers.

Each artist developed and performed a dance or act that fit with the medieval theme of the show. Folks on vacation during the event recorded a video to share with the audience.

**BrushFire BBQ Fundraiser for ArtWorks**

Local Radio stations, (96.1, 92.1, 94.3, 102.0) BrushFire BBQ and Ice Creamery, and the UA Band joined us at ArtWorks on Friday September 11th for pizza, ice cream, and music to celebrate a successful fundraising event. Over the summer Brushfire BBQ and Ice Creamery collected $1.00 per sale of certain flavors of ice cream. The effort raised more than $1,300.00! Proceeds from the fundraiser will be used to purchase art and program supplies.
